

## THE MOST BEAUTIFUL GIRL

**Tamara Saviano**

A memoir straight out of Nashville -- **THE MOST BEAUTIFUL GIRL: A True Story of a Dad, a Daughter and the Healing Power of Music** was written by Nashville music producer Tamara Saviano, narrated by singer Claudia Church, and includes a foreword written and read by Kris Kristofferson and music by guitar legend Verlon Thompson.

Producer Scott Sherratt recorded the audiobook **Nashville and Malibu**, and told us that the project was a real pleasure.
